PROFESSIONAL EXPERIENCE

Manager - Program & Project Management — October 2024 – Present
Agility Software Solutions, New York City (remote)

- Led pre-sales engagements as a Salesforce partner, mapping client workflows to platform capabilities, scoping solutions, and driving **over 3,500** platform license sales
- Delivered B2B commercial application to market and deployed on Salesforce AppExchange
- Cultivated stakeholder relationships across government agencies and Salesforce Account Managers to develop comprehensive RFP bids for **$1.65 million** IT contracts with Alameda County and Bay Area Metropolitan Transportation Commission
- Established PMO governance and KPI reporting standards across project teams

Technical Project Manager — May 2021 – July 2022
Persistent Systems, Pune, India

- Managed an Agile portfolio of 6 concurrent T&M projects valued at **USD 2 million**, orchestrating cross-functional engineering teams and meeting aggressive timelines
- Maintained high CSAT scores of **9.5** managing stakeholder relationships across multiple departments at ThermoFisher Scientific and Bio Reference Labs
- Led delivery of a field sales enablement platform across **11 countries** in Northern Europe, coordinating cross-border engineering teams and client stakeholders
- Led a team of 12 engineers to deliver a mission-critical ecommerce platform with complex third-party API integrations and 5+ data sources, reducing Covid test TAT by **66%** —from 72 hours to under 24 hours— enabling Bio Reference Labs to process up to **8 million tests** over 12 months

Project Manager & Business Analyst — 2010 – 2019
Acuvate Software & Plural Technology

- Led Azure cloud migration transitioning on-premises infrastructure and legacy SQL databases with Azure AD-based Identity and Access Management (IAM)
- Managed development and delivery of NLU A.I. chatbot accelerator platform across 6 government and non-profit clients, reducing IT support tickets by **40%** — selected by Microsoft UK as a case study
- Collaborated with cross-functional teams from UK, UAE and India to deliver enterprise web applications across banking, retail, and insurance domains

VOLUNTEER EXPERIENCE

- Project Management Institute – NYC Chapter, Professional Development Volunteer — June 2024 - Present
- Open Door NJNY, ESL Teacher/Volunteer — January 2023 - Present
